

March 13, 2020

Parents, Staff and Community,

In an abundance of caution, we are closing our Preschool Program and School Age Programs at Pasitos effective Monday, March 16. With recommendations from the Santa Clara County Public Health Department, unnecessary interactions are the most prudent thing to do at this time, we must limit our interactions with others. Social distancing, or keeping at least 6 feet, is an important way to keep all members of our community healthy and safe.

We will continue to monitor the situation and will keep you informed about what we learn and with ideas to help you, your child, and your family through these difficult and confusing times. We will be working with the State of California and the County of Santa Clara to understand what this means for us as an organization and a business.

We will keep you posted once we receive more information from the Santa Clara County Department of Public Health and the California Department of Social Services regarding when we will be able to re-open our school.

Please reach out to me with any concerns or questions. Stay well, wash your hands, and maintain a safe social distance of at least 6 feet away from others.

Warmly,

A handwritten signature in black ink, appearing to read "Tami Colón".
