

WHAT IF MY CHILD:

Has COVID-19 related symptoms.

If your child has COVID-19 related symptoms while at school, he/she will be sent home immediately and recommended to get tested. If your child has COVID-19 related symptoms while at home, he/she must stay home. Your child can return to school only after a negative test AND symptom free for at least 72 hours or must stay home for 14 days.

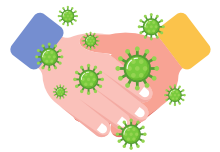

Some of the symptoms of COVID-19 include: fever, chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting and diarrhea.

Had a close exposure to a confirmed COVID-19 positive case.

If your child had a close exposure to a confirmed positive case, he/she will be instructed to get tested and quarantine for 14 days after date of last exposure, even if he/she tests negative.

Has traveled by air or to an area with Covid-19.

If your child has traveled by air or to an area with Covid-19, he/she will be instructed to stay home for 14 days after arriving from their trip and monitor his/her health. If the child gets tested and the result is negative, the child will still be instructed to quarantine for 14 days before returning to school.

We are all in this together...

Thank you for helping us stop the spread of COVID-19 within Pasitos and in the community.
