Our Story

Meet The Owners

Tami Colón

Owner, Curriculum
Director

“ We believe that
every day we are
changing the
world through
children ”

Stephanie Balch

Owner, Financial
Director

¡Bienvenidos!

Welcome to Pasitos School,

In February of 2006, Stephanie and Tami started having their first conversations about starting a bilingual preschool. At that time, there were only two other Spanish Immersion Preschools in the South Bay and they were both very different than what they wanted. They knew something different could be offered in the San Jose community. Pasitos opened in September of 2006 out of Stephanie's house and a year later moved out of Stephanie's home and into Pasitos West. Then in 2010 they opened Pasitos Central!

With backgrounds in bilingual education, Tami and Stephanie worked to carefully create the foundations for an ideal early learning environment. This includes integrating what they have learned from research about learning and language.

Today, Pasitos proudly serves over 100 families in the South Bay!

Our Philosophy

Pasitos is a community based on learning and fun. The teachers guide the students through the weeks, months, and years with the goal being children who have a love for learning and always ask "**Why?**"

“ We create globally minded citizens through language education and positive community actions; embracing positive discipline, eco-friendly practices, and a healthy lifestyle. We believe and strive towards Spanish immersion, eco-friendly, hands-on learning in a warm, loving environment. Play-based, Reggio inspired curriculum based on sound pedagogy and current research is what we practice daily. ”

Unique Benefits

Spanish Immersion

Children are spoken to, sang to, and read all in Spanish!

All Organic Snacks

Children are served an all organic snack twice a day, including fruits and vegetable.

Eco Friendly

Children learn the importance of eco caution change in the classroom and environment.

Exploration

Children are encouraged to play indoor and outdoor rain or shine!

Teacher Qualifications

Teachers with BA/BS are trained in language acquisition, child and adolescent development.

Teacher-Student Ratio

Lowest student- teacher ratio in the a area.

Child Centered Curriculum

Allowing the children to determine what they want to study and explore. We facilitate the environment and the projects so that children are able to learn more about topics they select.

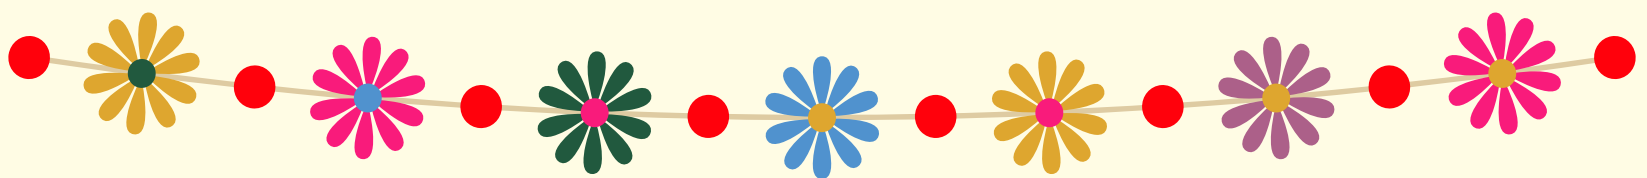

Our Programs

Young Preschool

Our teachers work with individual children to build cognitive skills as well as build upon their social and emotional development, plan appropriate activities to help foster their physical development, and improve their fine and gross motor skills. Exploration is key to the success and continued development of the child.

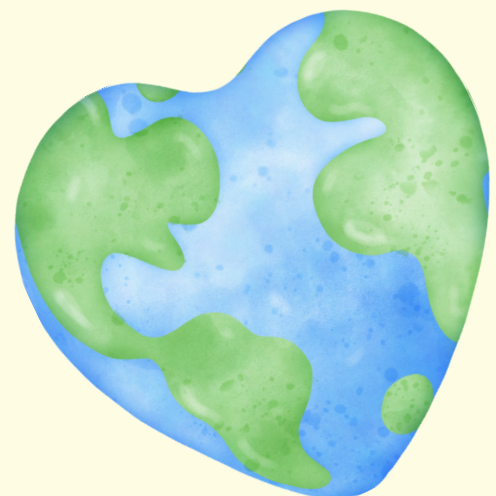

Preschool

We offer a variety of learning activities including a phonemic awareness and phonics program. Our Spanish time covers snack, outdoor play, indoor circle time and art. We consistently follow an emergent monthly theme and weekly program that encompasses our time together whether in English or Spanish.

School Age

Our before and after school program is for children currently enrolled in Transitional Kindergarten through grade 5. The before school program is a safe and comfortable place for the children to prepare for their day at school. The children work on small projects, read books, and socialize before being walked over to school. Our after school program supports and extends the learning that is done in the regular school day. We help the children to unwind after a long day at school, assist with homework, and provide enrichment activities in music, art, science and other content areas. We value their voice and often allow them to choose topics for further exploration and projects that they want to complete.

Meet The Teachers

Teachers guide our students through the weeks, months, and years with the goal being children who have a love for learning and always ask "Why?" Our passionate teachers have a BA/BS and specialized coursework in Child Development and Language Acquisition, along with safety trainings and regular staff development days.

"At Pasitos you are challenged and pushed to grow to your fullest potencial".

Maestra Alma

Pasitos Central Director

"I like to work at Pasitos because they strongly believe in community and have been flexible and supportive when I have needed".

Maestra Monica

Program Director, Positive Discipline Parent Educator, Pasitos Central & West

"En Pasitos hay libertad de construcción de conocimiento, es amigable con la naturaleza y existe un ambiente amoroso".

Maestra Conchi

Preschool Associate Teacher, Pasitos West

I Love School

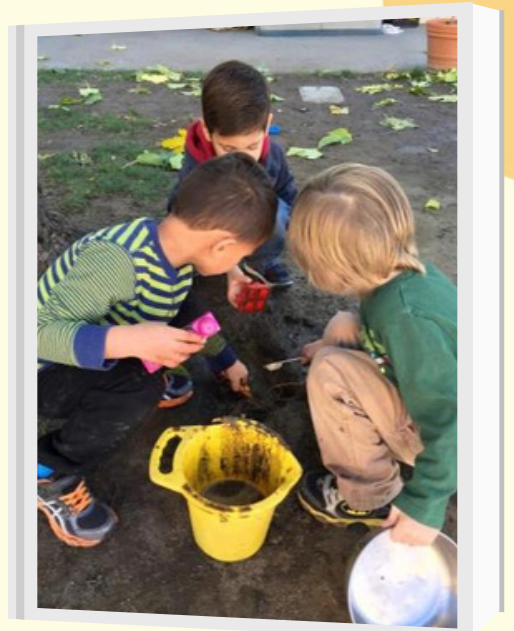

“The imagination of children is what keeps my inspiration going.”

MEDRANO SCHOOL
AGE TEACHER

Parent Testimonials

“Amazing teachers and staff. The school is play based learning and is a Spanish immersion school. My daughter and I do very basic Spanish at home and is now speaking more and more and teaching me new phrases and words. The room is big with lots of activities for the kids and the outside is great! My daughter goes to school excited and comes home so happy and can't stop talking about all the fun she had both with her peers and teachers. The teachers really care about the kids and having 3 amazing teachers is truly a gift for all of these students. I highly recommend this preschool.”

HILLARY B.-PASITOS WEST

“My son has been attending Pasitos School Central since two-years-old and I am so happy that he has had the opportunity to attend. He is 4 now and the teachers are like part of the family. Learning a second language is SO helpful for children's growth and development. As a Speech-language pathologist, I know the importance of language development at a young age. Unfortunately, I am not fluent in Spanish, so I knew getting my child involved in a program such as Pasitos was key. I am so thankful that Maestra Tami started this program and she has been able to find teachers who know how to immerse the students in Spanish and love what they do. The social-emotional learning the children receive was also why I chose Pasitos. Workshops on Positive Discipline are included in enrollment and I learned so much. Even though I took the classes previously, I am participating in the Zoom classes as a refresher. We have also attended some of the online learning and signed up for the at-home activities. The classes and activities are high quality and I can tell that an abundance of time (and love) go into all of the lessons. Thank you, Pasitos! We love you!”
