

I Arrive at Pasitos School

I say hello to my teacher.

I say goodbye to my \_\_\_\_\_.

I take off my shoes and leave them by the door.

I take my jacket off and put it in my cubby.

I wash my hands.

I look for a friend to play with.

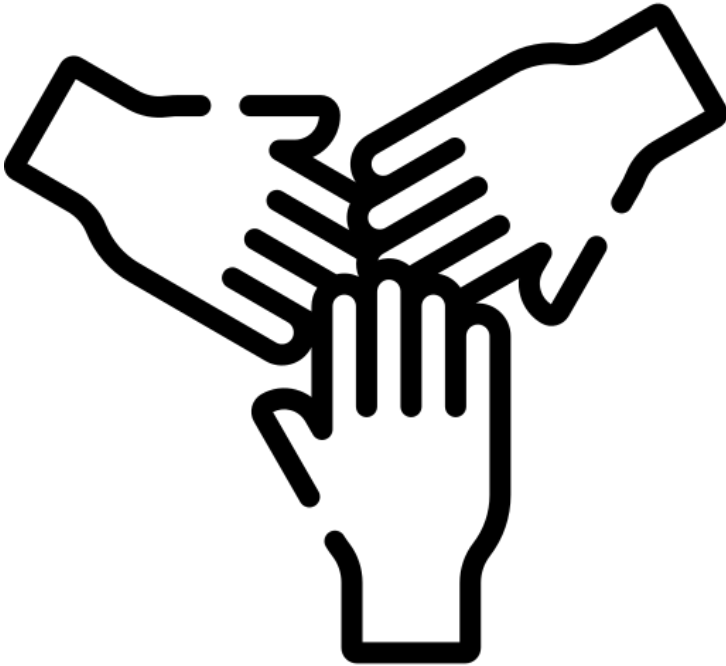

I can wave to my friend or give a gentle high 5.

I remember to be respectful, safe and friendly at  
Pasitos School.

We are respectful when we use our  
gentle hands.

We are safe when we  
walk inside.

We are friendly when we  
share.

\_\_\_\_\_ always comes and picks me up.

I'm now prepared to have a great day at Pasitos School.
