

WHAT IF MY CHILD:

Has COVID-19 related symptoms.

If your child has COVID-19 related symptoms while at school, he/she will be sent home immediately and recommended to get tested. If your child or anyone in your household has COVID-19 related symptoms, he/she must stay home. **Your child can return to school only after a negative test AND symptom free for at least 48 hours or must stay home for 10 days.**

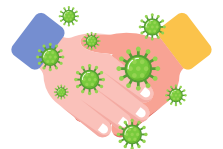

Some of the symptoms of COVID-19 include: fever, chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting and diarrhea.

Had a close exposure to a confirmed COVID-19 positive case.

If your child or anyone in your household had a close exposure to a confirmed positive case, he/she will be instructed to get tested and quarantine for 10 days after date of last exposure, even if he/she tests negative.

Has traveled.

If your child has traveled, he/she will be instructed to get tested with a viral test 3-5 days after travel AND to stay home and self-quarantine for a full 7 days after travel. **Your child can return to school only after a negative test and 7 days of quarantine.**

We are all in this together...

Thank you for helping us stop the spread of COVID-19 within Pasitos and in the community.
